KPRK RADIO STATION COLLECTION

HISTORICAL NOTE

Paul McAdam was the founder of KPRK. He operated the station under the corporate title of his theatre chain Yellowstone Amusement Company. John Boor was the first manager and assisted in the construction of the building. KPRK began broadcasting on Jan. 9, 1947 as the fourth post-war station to broadcast in Montana.

Around 1962 Paul McAdam sold the station to his salesman, Jack Hinman, and his wife Roberta "Bobbi" Hinman. The Hinmans operated the station under the corporate name KPRK, Inc until 1978, when Jack Hinman died. Bobbi Hinman sold the station to William L. "Bill" Holter. From his college days forward, Bill Holter worked in broadcasting. He owned KYLT Missoula, KBLL Helena, and KLTZ Glasgow. Holter was also involved in television in Great Falls. By 1985, Bill Holter convinced his thirty-one-year-old daughter, Jann Holter Berntsen, to become the owner and manager of KPRK. Her husband Dean Berntsen became the afternoon radio announcer. A staff of eight employees operated the live radio station, which signed on at 5:30AM or 6:00AM and signed off at midnight.

One of the most popular shows was Swap Shop, a live program allowing people to call the radio station in order to sell or giveaway whatever they wanted. KPRK sponsored local events and covered local sports. One of Jann Holter Berntsen's major accomplishments was to apply for and receive the FCC authority to boost the nighttime power from 250 to 1,000 watts. This meant that they were able to reach a larger audience for the station's local sports programming.

In 1999 Jann Holter Berntsen sold KPRK. The transmitter and the tower continue to operate but no programming originates from the Livingston station. The building was designed by Missoula architect William Fox and was designated on the National Register for Historical Places on Sept. 5, 1979. Townsquare Media Group, located in Bozeman now owns the building.

Bill Holter died in 2005.

SCOPE AND CONTENT NOTE

The material in the collection consists of the KPRK business records from 1946-2017. The collection is organized by subject in chronological order. The business records range from the initial planning and investment for the opening of KPRK to the closure and sale of the radio station. Audio-visual materials consist of recordings of broadcasts and events. The photographs document the history of KPRK from the construction of the building to the final days before the station is sold in 1999.

KPRK RADIO STATION COLLECTION

SERIES DESCRIPTION

SERIES 1 BUSINESS RECORDS 1946-2017 BOX 1-3, 1 NOTEBOOK

The papers in the series comprise business records that document the daily operations of the radio station. The subjects include financial, legal, promotional, customer relations, advertising, Park County issues, subscription services, and equipment. The series contains agreements and communications with the Federal Communication Commission (FCC), agreements for subscription services with American Society of Composers, Authors and Publishers; Broadcast Music Inc.; and United Press International. KPRK was actively involved with Park County residents. This is documented by the customer and ranch surveys and the records of issues in the county. The radio station sponsored local events and held promotional contests, which is documented in the papers.

The series includes an envelope of three folders containing job applications and resumes. Due to the personal information contained in this material it is restricted.

SERIES 2 OVERSIZE 1999, NOT DATED FOLDER 1

The series contains blueprints of the radio tower and the state highway right-of-way. In addition a Sony ad features the KPRK building and an enlarged copy of a newspaper article featuring photo of Bill Holter and Jan Holter Lambert Berntsen.

SERIES 3 AUDIO VISUAL 1947-1989 AV BOX 1-2

Audio cassettes and reel to reel tapes comprise the series. The reel-to-reel tapes document the opening broadcast in 1947 along with guests and events. The cassettes contain advertising, guests, and events.

SERIES 4 PHOTOGRAPHS 1947-1997

The series comprises photographs that span the construction of the KPRK Building to the sale of the radio station in 1999. The photographs include images of the various station owners and employees, events hosted by KPRK, interior renovations, flooding around the station, and local events. Black and white and color photographs document the history of KPRK. Please note that a representative number of photographs in each subject folder are cataloged and digitized and available in PastPerfect at the museum.

SERIES 5 OBJECTS 1938-2001

The objects comprise audio equipment, signs, promotional gifts, a plaque, and vinyl records. The audio equipment, cassette players, microphone, and radios provide insight into the radio technology from the 1940s to the 1990s. Please note the objects are cataloged and photographed and available in PastPerfect.
